

Project: FTR control in chickpea
Trial: LB1309
District: Irvingdale

Planting date: 27/05/2013
Planter type: Disc planter

Application date: IBS 27/05/2013 PSPE 2/06/2013

Disclaimer:
This document is based on the results from an individual trial and may contain experimental use patterns that are currently off-label. **This document does not provide any interpretation and should not be taken as an endorsement of any unregistered use pattern.**
Professional advice should be sought for specific recommendations to ensure access to the most up to date information and knowledge.
Any product referred to in this document must be used strictly as directed, and in accordance with all label or permit instructions. Always consult the label prior to use.
